

MONTHLY CYCLE STATISTICS: 01/11/2016-31/12/2016

The Harmonised Database is constantly updated so it evolves with the market and the needs of the users. This is done each month, after a voting to which the classification experts from all Harmonised Offices participate. In this overview you can see which terms have been added and which ones have been deleted after November / December cycle 2016.
