

## **MONTHLY CYCLE STATISTICS: 01/03/2017-31/03/2017**

The Harmonised Database is constantly updated so it evolves with the market and the needs of the users. This is done each month, after a voting to which the classification experts from all Harmonised Offices participate. In this overview you can see which terms have been added and which ones have been deleted after March cycle 2017.
